AN OPEN LETTER

To: Navarro County Motorists

Dear Friends:

I am gratified and very happy to be able to announce that Chevrolet delivered prices have been materially reduced. On several body types the reduction amounts to as much as sixty-four dollars per unit.

These reduced delivered prices have placed us with Chevrolet in the best competitive position from the standpoint of price alone, that it has ever been our privilege to enjoy; to say nothing of Chevrolet's exclusive features ---such as, Fisher no-draft ventilation, all silent uni-steel bodies, blue-flame valve-in-head engine, hydraulic brakes and many others.

The delivered prices for Chevrolet Passenger cars in Corsicana are:

De Luxe Coupe - - - - \$798 Master Coupe - - - - \$731 Master Coach ---- 752 De Luxe Coach ---- 813 De Luxe Town Sedan - 833 Master Town Sedan - - 772 Master Sport Sedan - - 833 *De Luxe Sport Sedan - 900

*Please note that the very highest priced Chevrolet passenger car delivers here in Corsicana for only nine hundred dollars.

The eighty-five horse power Master Coupe with hydraulic brakes and other Chevrolet features delivers here for only seven hundred thirty-one dollars.

"CHECK CHEVROLET'S LOW DELIVERED PRICES"

Merry Christmas and Happy New Year to All.

Sincerely,

E. W. ELLIS & CO., Chevrolet Dealers, Corsicana, Texas. Dec. 22nd, 1937.

DEMONSTRATION AGENT SHOWS ACCOMPLISHMENTS

Conditions of agriculture and farm life in Navarro county in 1937, progress made with particular emphasis in yard, poultry and food departments; and other interesting features were included in the annual report of Miss Ruth McNabb, Navarro county home demonstration agent as released Thursday. Miss McNabb has resigned and will be married in Oklahoma Saturday. Miss Clara Rettiger, formerly of Overton, will succeed Miss McNabb, Jan. 1.

In the report, it was brought out that there is more feed this year and there are 30 trench silos. The living conditions of the farmers has improved during the past three years. There have been 1,300 rural homes signed for the rural electrification program; there are 14 active home demonstration councils and 13 girls 4-H clubs.

Canning, begroom improvement Canning, beeroom improvement and yard work has been stressed this year. Included in the statistics of the report were:

137 lawns sodded; 162 planted permanent shrubs; 155 underpinned their homes; 81 prepared good preservation budgets; 122 planned poultry flocks; 3,800 planted shrubbery; 2,944 planted roses; 247 walks were constructed and 107

Cliristmas Party
The Golden Rule class and the Poltan class of the First Baptist Sunday school of which Mrs. Ray Coffey and Mrs. S. L. Dublin are the respective teachers, had a joint Christmas party and Christmas tree Friday evening at the home of Mrs. Coffey.
The home was very attractive for the occasion with its Christmas decorations, and the beautiful silvered Christmas tree with its blue lights and colorful ornaments.

is dit for many years to close from women who were convales cing from illness, and I judge they must have had a great deal of E. K. Forbes fever that had left the skin parched. These were all women much too young, and that includes women once termed "middle aged," none of whom these days should have skins that look elderly, shrivcled, or even with deepened lines in them.

For the readers who have not gotten this information sent to them, women who have need for special help for the extremely dry skin, that appears to be elderly also;—all, will be benefitted if the following cream is used liberally until there is a recovery. Mrs. B. K.—Nothing better to tone the skin than a douching of very cold water. Douche until there is a re-action, when the blood will be tingling in the tissues under the skin. Witch hazel is a very nice astringent, inexpensive, and harmless. Men have used it for many years to close the pores after shaving, and also because it was so refreshing to them. It did tone their skins, too, but it is doubtful that they ever thought of it in that respect. It will do as well for a woman's skin, when she needs an astringent, as it has always done for them.

KERENS, Dec. 23.—(Spl.)—Mr. and Mrs. G. W. White were hosts to the faculty of 'the Kerens school and their wives and sweets to hearts at their annual Christmas party on last Friday evening.

With the home gally decked for Christmas and everyone in high spirits, knowing from experience of former years just what a good time was in store, the evening was spent in 'having good old-fash-loned fun.

Numerous games were played the same ones that the same ones that the things which had happened to him—and what heaped up wees they were!—had fallen out unto the furtherance of the Gospel. That is a sound morsel two decades since the World War, have not been a total loss. In the longer view, we may see them as a ploughing up of the world's mind for a new day that is just shead. Any of us could set down an impressive catalogue of benevator, Tex., and W. P. Sole of Bennettsville, S. C.

—An earthquake, affecting a widespread area in southern Mexico,
has been in progress since 8:17
a. m. (EST) today, L. Don Leci.

Dr. Leet said the earthquake was affecting an area covering thousands of miles. He declared he was unable to locate any towns in the section of the temblor but said if there

were any towns or villages the damage would he heavy.
Dr. Leet discovered the record of the carthquake on Harvard seismographs, when he went to seismographs, when he went to check on a reported earthquake which residents of Lewiston, Me, said they felt last night.
His record showed that the first tremor was felt here at 8:25 a.m. He estimated it had taken the earth shock seven minutes to travel an estimated 2,275 miles from the ent center to Hayard. from the epi center to Harvard.
The latter record of the tremblor showed the earth movement was increasing in intensity.
